

Escalator Cleaning Frequency Guide

Traffic	Location	Recommendation
High	Airports & Subways	Daily
Medium	Shopping Malls & Casinos	Bi-weekly (twice a week)
Low	Hotels & Office Buildings	Weekly

Clean your escalators in minutes, not hours with

ESCATEQ®
escalator cleaning tools

Did You Know?

That your escalators are the most expensive, most trafficked and often, most dangerous flooring in your facility. Additionally, escalators can accumulate an oily residue on their standing or stepping surface if not cleaned frequently, making them even more dangerous.
